

District Simplified Grant Club Projects
2009-2010

<u>Club</u>	<u>Amount</u>	<u>Project</u>
Amelia Island, Fernandina Beach, Ponte Vedra Beach	\$5,000	Water Project Nicaragua - this project will involve several organizations working together to disseminate water filters throughout several Nicaraguan communities in an attempt to provide clean water, free of water borne disease to the people in those communities.
Daytona Beach West	\$2,520	Rotary Kids and Youth Clubs Provide opportunities for inner city elementary and middle school students to gain skills and motivation to graduate from high school, go to college and to have jobs that will help them be financially self-sufficient. Provided through after school programs including "Study Center" one night a week for high school students, extended day programs supporting homework completion and basic skill practice including FCAT skills.
Deerwood	\$5,000	Baymeadows Youth Athletic Association - The BYAA project will provide needed equipment (such as blocking sleds, passing machines and a scoreboard) for Pop Warner teams. The intent is to attract more local families and encourage more children to participate.
Downtown Gainesville	\$2,000	Initiative for Tasty Gardens - GIFT Gardens, a new long term program from Florida Certified Organic Growers and Consumers, will build free raised-bed vegetable gardens in homes and institutions of underserved residents.
East Arlington	\$5,000	Adaptive Sports Wheelchair Project - grant will be used to provide the Brooks Bandits of Brooks Rehab Center two rugby wheelchairs.
Flagler Beach	\$5,000	Mobile Mammogram Access Program for Paraguay - The MMAPP will allow increased early detection and survival of breast cancer patients by providing access to fully functioning mammogram technology in areas where it does not currently exist.
Jacksonville - Oceanside	\$5,000	Lighting for Rotary Skateboard Park - by lighting a skateboard park, constructed in part by this Rotary club as a major sponsor, the hours of use can be extended during the fall and winter months. This provides youth with opportunities for using their leisure time in a safe, supervised environment.
Ocala	\$500	Be a Santa to a Senior - 500 seniors at senior care facilities that cater to low income residents will be given gifts. This includes gift distribution events with choirs and holiday snacks.

District Simplified Grant Club Projects
2009-2010

Orange Park Noon	\$1,250	PET Project - Give disabled the "gift of mobility" by providing a wheelchair that is specialized for the environment of 3rd world countries
Ormond by the Sea	\$1,900	Lunch for Nursing Home Shut-ins For 25 years the club has been feeding lunch at an area restaurant to nursing home shut-ins 2-3 times a year.
Palatka	\$3,110	Haiti Project Provide through a clinic critically needed medical care with the distribution of medical supplies to El Shaddai and surrounding areas. Supplies are mostly donated and the grant will provide critically needed interpreter, body guard, driver, transportation needs within Haiti, ice and water.
Riverside	\$5,000	Ortega Elementary School Playground - provide playground equipment, ground cover, installation and signage for a neighborhood elementary school with 392 students. The playground will encourage physical activity shown to enhance learning and combat ever-increasing childhood weight disorder
San Marco	\$3,500	Infant Mortality - infant mortality is higher in Jacksonville than the state average and the state is higher than the national average. This is an education campaign that will provide gift packages for new mothers consisting of an infant t-shirt emblazoned with "Sleep This Side Up" across the front as well as a door hanger printed with information on safe sleep practices for infants.
