

## Monday with Mikey: July 25, 2016

iPDG Will Miller's motto last RY was: "Know Rotary, Grow Rotary!" I like that thought.

I have paraphrased the following from the RLI Sunshine Division website:

As Rotarians, we are all leaders, some in our community, some in our profession, and all of us in life in general.

The purpose of Rotary Leadership Institute is to give you the necessary tools and skills to be better Rotarians. As in every endeavor, the more you know about anything, the more interesting (and FUN!) it becomes. Rotary is most assuredly one of those areas that the more you put into it, the more you get out of it. RLI can make that possible for you. Graduates of RLI are more likely to remain Rotarians, and be a bigger part of Rotary, than any other group of Rotarians.

RLI is a great place for newly-inducted Rotarians to quickly learn about the "Object of Rotary." Club Officers can build on their Rotary Knowledge to enhance their club experience. Club Presidents can expand on the skills gained at their President Elect Training Seminar. Long-time Rotarians (like me) can rekindle the old Rotary flame, and at the same time share their experiences with the other participants.

On top of that, RLI is yet another opportunity to share in Rotary fellowship!

Please sign up NOW and plan to attend the next Rotary Leadership Institute, which is scheduled for Saturday, August 13<sup>th</sup> at St. Petersburg College's Drew Street campus in Clearwater. I am attending as a graduate student, and "First Mate" Jocelyn will be serving as a Discussion Leader. Please join us as we continue to "Know Rotary, Grow Rotary!"

Until next Monday, keep **"Doing Good, Having Fun!"**
