Wilda Whittle and Dale Johnson presented as Paul Harris Fellows

On Friday, January 26th, the Rotary Club of Seminole Lake presented Paul Harris Fellow recognition to Wilda Whittle of the Seminole Beacon and Dale Johnson, the Primerica Executive in charge of Seminole City Center.

Wilda was instrumental in assisting the Club with its Second Annual Red Party

raising over \$40,000 in cash and gifts for Foster Children's Christmas Holiday. Dale Johnson was honored for helping create a very beautiful and practical City Center that has transformed an old Seminole Mall into a modern and varied shopping and entertainment district.

Paul Harris Fellows are recognized as the result of \$1000 being donated to The Rotary Foundation which has been touted as one of the most efficient Foundations in the world and instrumental in nearly eradicating Polio worldwide.

Cruise for the Cure Update...

We have cruised from Tarpon Springs on January 6, and we're now in Key West. So far, we will have attended 6 Rotary club meetings, including all 3 of the Key West clubs and went to one that was listed on Club Finder but that I guess is now defunct. Clubs need to update the app!

Due to a program cancellation, we became the program for the Rotary Club of Key West and were surprised when they gave us a check for \$250 (we have sent that directly to CART). The president stated that CART is a program that his club needs to support. We were also presented with the 50/50 proceeds, \$37 at the RC of the Upper Keys.

We have really enjoyed meeting so many other Rotarians and getting the word spread about CART. I am including a photo of the check presentation at the RC Key West with President Albert Gonzalez. You can pick up additional photos of us at various Rotary meetings at our blog or Facebook pages. We are planning to visit the Marquesas Keys and Dry Tortuga this weekend if our weather window stays open and will start to head north the first week of March.

Jean & Jerry Coleman,
Rotary Club of Tarpon Springs

You may recall from last month's newsletter that Jean and Jerry Coleman, of the Tarpon Springs Rotary Club were off on their one year "Cruise for the Cure" round trip on their boat, Makin' Memories to raise awareness of the Coins for Alzheimer's Research Trust (CART) project. Here is the latest update from Jean and Jerry.

San Antonio Farmers Market

When the Rotary Club of San Antonio passed the Rattlesnake Festival & Run to the Thomas Promise Foundation a year ago, members chose to sponsor a monthly Farmers Market as a fundraiser. Held on the second Saturday of each month in the San Antonio City Park from 9:00 a.m. - 2:00 p.m., the San Antonio Farmers Market has proven to be a welcome addition to the community.

Under the leadership of Club President Winnie Burke, each market has a different theme with related activities. For the February Farmers Market, club members went overboard in following RI President Risely's request for each Rotary member to plant a tree before Earth Day on April 22. Thanks to member Jay Vogel and his company, Natural Resource Planning Services, more than 200 slash pine seedlings were given to market customers as well as to club members and others in the community. Included with the trees were directions for planting the seedlings and information about pine trees' importance to the environment.

The March 10 Easter Market will feature Easter Basket/Cake Walks throughout the day, a chance drawing for a large Easter Basket, and free Easter-themed activities for children. Items available at the market include fresh produce including organic lettuce and other greens, hand-crafted fruit wines, locally made jams and jellies, baked goods, jewelry, yard art, trees and plants, home decor and kitchen items, etc. Hungry shoppers enjoy Jim's Famous Hot Dogs, popcorn, coffee, and sodas, courtesy of E-Club and Honorary San Antonio Rotarian Jim Tremmel.

In addition to raising money for the club's activities, the Farmers Market has proven to be a good way for the club to connect with area youth and to recruit members. Volunteers at recent markets have included Pasco High School Interactors, Saint Leo University Rotaractors, youth from the Farmworkers Self Help community, and Pasco Hernando State College students. Several visitors to the market are now attending club meetings and volunteering for club projects.

The Farmers Market has proven to be a good choice for a small club like San Antonio, where members have fun while committing themselves to "Service Above Self."

Rotary Club President Roy Adams and St. Petersburg Police Chief Anthony Holloway present Officer Jeremy Krzysiak and Detective Anthony Peterson with the prestigious March-Purdy distinguished service awards from The Rotary Club of St. Petersburg. This is an annual program honoring the SPPD.

Basic Education and Literacy is one of Rotary's 6 Areas of Focus!

Tip of the month:

Map reading is an important tool for building spatial reasoning skills. Help a child draw a map of the neighbor or create a map leading to a "hidden" treasure.

Help a child learn to "read" a map today.

The Four-Way Test

The test, which has been translated into more than 100 languages, asks the following questions:

Of the things we think, say or do

- Is it the TRUTH?
- Is it FAIR to all concerned?
- Will it build GOODWILL and BETTER FRIENDSHIPS?
- Will it be BENEFICIAL to all concerned?

Gerry Cachia wins 2018 Mr. Seminole Award

By **TIFFANY RAZZANO**, *Tampa Bay Newspapers*

Gerry Cachia was never planning on attending this year's Mr./Ms. Seminole awards banquet.

So, the Seminole Chamber of Commerce, which hosts the awards ceremony each year, had to trick him into attending the Feb. 24 event at the Parkview Room in Seminole City Park. First, chamber volunteers asked Cachia, president of William Clare Entertainment,

for a PA system that could accommodate two microphones.

But when Cachia revealed that he still didn't plan to attend, Dr. Stephen Nickse, the event's host, told him that he would be receiving an award for The Red Sled, an initiative he helped found through Seminole Lake Rotary Club to collect holiday gifts for area foster children.

"I had no clue anything else was happening," Cachia said. "That was how they got me there."

To his surprise, he won the main honor of the evening, taking home the Mr. Seminole title for 2018.

"I'm extremely, extremely humbled and I certainly won't take the honor lightly," he said. "I'm in a fraternity of some pretty amazing people. I've been in Seminole since 1977 and know most of those individuals who have been Mr. Seminole. They are amazing people. They've done so many things for the city."

Bill Miller, the 2017 Mr. Seminole who led the selection committee that chose Cachia, said "it was quite an honor" to present the award to him.

"We couldn't have picked a better person," Miller said. "He's a wonderful gentleman and very, very active in the community."

Miller said he's known Cachia for more than 30 years through a variety of community events.

"He's always there if we needed anything and is always willing to help. He never wants credit. He just wants to help."

Cachia has been involved with the Seminole community since graduating from the University of South Florida with a bachelor's degree in marketing and advertising in 1977. His first job out of college was at the Seminole Mall.

Jobs were scarce for young college graduates at the time. So, when he saw the job listing, he pounced on it.

"It was for promotions director. I had no idea what it was or what they did," Cachia said. "If it had anything to do with marketing, I applied for it."

He was thrust into "a learn-as-you-go situation," he said, and is thankful to "the million mentors in Seminole" who helped guide him. It wasn't long before he was promoted to handle promotions for both the Seminole Mall and the Gateway Mall.

He eventually left to manage larger regional malls, and also carved out a career in marketing entertainment. He landed back at Seminole Mall twice, since, though. The last time, he worked under Brad Sebring, part of the Johnson family, the mall's original owners.

They opened Showoff Theatre Cachia helped bring entertainment and events, such as Seminole Sings, to the mall.

"I wanted to make it a place where shopping was entertaining," he said. "That was kind of my theme."

He also played a role in the creation of a nighttime holiday parade held the day after Thanksgiving. Eventually, that "transitioned from a mall thing to a city thing," he said.

He's been involved with a number of community organizations over the years. He's a longtime member of the chamber, sitting on its board of directors for four years. In the past, he's received both the Merit Award and the Business of the Year Award.

When he first came to Seminole, he was a member of The Lion's Club. Three years ago, he joined the Seminole Lake Rotary Club.

"They're great people who do a bunch of things for the community and around the world," Cachia said. "I really like those people and everything they do."

Last year, The Red Sled initiative raised more than \$40,000 in toys and monetary donations for Eckerd Youth Alternatives, which works with children in the local foster care system. The signature event of this initiative, The Red Party, doubled in size last year to more than 300 attendees. Next year he hopes they can raise more than \$50,000 for the organization.

"It's grown to huge proportions," he said. "I always envisioned it to be the premiere holiday event in Seminole. I think eventually it will be that way. We're going to run out of places to hold it based on the size."

Though the initiative was born out of the annual holiday parties thrown by Cachia and his wife, Rene, he's quick to nod to the Rotarians when discussing The Red Sled's success.

"They jumped on this thing and called it their own," he said. "I'm just a small cog in that machine."

Several other awards were also presented at the Mr./Ms. Seminole banquet. Harold "Doc" Kinsey received the Merit Award. Arden Courts of Seminole was named Business of the Year. Culver's T.J. Schwebke was named Boss of the Year.

Osceola Fundamental High Students of the Month

Rotarian Glenn Stamm, Jay McArthur, Sophia Masut, Principal Bohnet

Michael Bohnet, Principal of Osceola Fundamental High, introduced the January students of the month to the Rotary Club of Seminole Lake during the breakfast meeting at Freedom Square.

Sophia Masut maintains a GPA of 4.3 while participating in club soccer and being named captain this year. She also participated on the varsity track team. She volunteers at the Palms of Pasadena ALF and is a member of a number of honor societies, the Key Club, Pinellas Youth Advisory Committee and Florida Girls State Delegate. Sophia plans to attend University of Tampa and will play soccer for them.

James (Jay) McArthur maintains a 4.5 GPA and an academic honor for the swim team for all four years. He is captain and a three time state qualifier in the 4x100 relay. He volunteers at the RCS food bank and Belleair Rec Center. A member of numerous honor societies and future business leaders of America (FBLA) he also qualified for FBLA Nationals. Jay plans to attend Rollins College with a focus on business.

Prepared by Gene Stern, Public Image Chair, gene.stern@LFG.com, 727-369-1512

Principal Michael Bohnet introduced the students of the month to the Rotary Club of Seminole Lake at their regularly scheduled Friday morning meeting at Freedom Square.

Zachary Powell maintains a GPA of 4.6 and is a National Merit Commended Scholar and an AP Scholar of Distinction. He serves as VP of the Rotary Sponsored Interact Club and is the 2017 recipient of the Anne Frank Humanitarian Award from the Florida Holocaust Museum. Zachary is a member of the National Honor Society, Future Business Leaders of America and of the OFHS Academic Team. He plans to study engineering at USF Tampa.

Jamison Lake maintains a GPA of 4.4 and is an officer of the Key Club, and the International Thespian Society. She is a member of both the Varsity soccer and track teams while volunteering with Suncoast Hospice and children's ministry at St. Paul Methodist Church where she also works as a summer counselor. She is active with the school theater department as part of the technical crew. Jamison will attend FSU to major in business.

Deadline: March 25, 2018 for next issue

MILLER, Linda Gray (Rivers)

73, of Belleair Bluffs, FL completed her earthly journey peacefully at home 6 February 2018 with her husband and caregiver at her side.

She was born in Roanoke, Virginia in 1944 to Elizabeth Green Rivers (mother) and Dwight Gray Rivers (father), a WW-II veteran and agronomist.

Gray attended Blacksburg High School (VA) for her senior year, later attending VA Tech for her BS in Human Nutrition & Foods. She subsequently performed graduate studies at Cornell University (NY) then returned to VA Tech for her MS in Human Nutrition & Foods. Her Master's Thesis was in diabetes research.

In 1969 she married Willard H. (Will) Miller, Jr. in the VA Tech Chapel, and a month later watched him depart for year in the Vietnam War as a newly commissioned Ensign on a US Navy destroyer. Their first child, David, was born upon Will's return. Just a few months later, Gray was again on her own as her husband began his second 12-month Vietnam deployment, ashore.

After Will finally returned from Vietnam, the couple moved to Will's hometown of Hampton, Virginia where they raised David, and later his new sister, Beth. After mothering the children to school-age, Gray entered the workforce in 1978 as the Cafeteria Manger at Christopher Newport University in Newport News, VA. In this position, she once had the honor of making lunch for guest speaker & actress Elizabeth Taylor, who was then married to VA Senator John Warner. (Liz was on a diet that day and didn't eat much!)

In 1981 Gray became the Assistant Supervisor, School Food Service for Newport News, VA Public Schools where she oversaw a \$4M budget.

Returning to her home-turf in Hampton, Gray became Assistant Director, School Food Services in 1984 for Hampton City Schools where she was the Purchasing Agent for 33 public schools, serving 12,500 lunches and 2,000 breakfasts daily.

In 1989, she received an A.A.S. in Hotel, Restaurant, and Institute Mgt. from Thomas Nelson Community College in Newport News, VA.

Gray was the Past President of the Virginia School Food Service Association representing school food service professionals throughout the state of Virginia.

Gray accepted a position in 1990 with the Virginia Depart-

ment of Education in Richmond, VA as a Specialist, School Nutrition Programs where she managed Severe Need Breakfast Programs, oversaw Grants, reviews, and financial reporting data. She provided guidance on USDA regulations to school districts throughout the state of Virginia, and trained state and local division staff. Gray drove 400 miles (round-trip) daily from her home in Hampton to her work in the state capitol city of Richmond, Virginia, generally a 12 to 14-hour day.

In 1995 Gray took a job in Largo, Florida as Assistant Director, School Food Service and later as Director where she supported 140 Pinellas County public schools' Federal School Lunch Programs. She became a Master Trainer for the District for Culinary Techniques for Healthy School Meals and received many national awards for innovation & improving the quality of school lunch throughout the county. She managed a large professional staff and a \$30M budget.

Gray retired from serving Pinellas County Schools in March 2011 after 11 years of service. In retirement she enjoyed voluminous reading, supporting her granddaughter, Kayla, with her dance competitions, and periodic visits to her three other grandchildren, Michael, Marie, and Marc (a new Marine like his dad, David). She also delighted in visiting her dear friends, Ray & Dee Ford in nearby New Port Richie, FL.

In retirement, Gray also supported Will's rise up the ranks in Rotary International's local District 6950 to his final position as a District Governor. She accompanied him on almost all of his visits to 47 Clubs in the 4-county Rotary District, where she was welcomed and loved. She was an Honorary Rotarian in the Rotary Club of Largo, Florida, and helped them in their annual signature fundraiser: "Death by Chocolate."

Gray never focused on her own significant accomplishments, but was truly and completely a selfless soul, and focused on love for her family throughout her life. She absolutely embodied the Rotary International motto of "Service Above Self".

She will be missed by family, friends & associates in many states, and members of her "Rotary Family."

She is survived by her husband of 49 years (Will – Belleair Bluffs, FL), a younger brother (Mark – Zellwood, FL), a son (David Miller - Nottingham, PA), a daughter (Beth Feeney – Odessa, FL), and four grandchildren. In lieu of flowers, the family suggests donations to: "The ALS Association Florida Chapter, Inc.", 3242 Parkside Center Circle, Tampa, FL 33619. No service is planned. National Cremation Society, Clearwater, FL (www.NationalCremation.com).
