THE GOVERNOR'S NEWSLETTER

RI President 2011 - 2012: Kalyan Banerjee

ROTARY DISTRICT 6950 • ZONE 34 • FLORIDA • USA

Running the District ...

By DG Carl Treleaven

March is the month that Rotary celebrates Literacy, particularly the many programs carried out by local clubs and the Rotary Foundation to promote basic education and literacy. Without a doubt, increasing basic education and literacy in our local communities benefits everyone. Countless social and economic problems we face today are traceable to shortfalls, even outright failures, in this area.

Many of our Rotary clubs in District 6950 have undertaken programs to support basic education and literacy, including:

- Programs to provide dictionaries to children, especially third graders
- Mentoring programs in local schools
- Recognition of outstanding students, as well as students who have made substantial progress.

Beyond this, many individual Ro-

tarians are providing a range of support and services to local schools in the four counties that comprise District 6950. All of these programs help to strengthen local schools. A literate, educated citizenry is essential for the health of every local community. Our local clubs are supporting basic education and literacy in so many ways.

In support of local club efforts, District 6950 has established a District Literacy Committee, chaired by Pat Bauer of the RC of Dune-din. The task of this committee is to provide support to local clubs in efforts to promote basic education and literacy. As your club begins planning for the upcoming 2012-13 Rotary year, I encourage you to share what your club has been doing in this area, as well as learn about what other clubs have been doing. A great way to do this is to ask your club president to share what your club has been doing in basic education and literacy with the other clubs in your area. Club presidents meet monthly. This is also a great way to learn best practices from other clubs.

The Rotary Foundation has six areas of focus, one of which is basic education and literacy. It promotes education and literacy by:

1. Ensuring that children have access to quality basic education
2. Reducing gender disparity in education
3. Increasing adult literacy
4. Strengthening the capacity of communities to support basic education and

literacy

5. Supporting studies related to basic education and literacy.

The other five areas of focus for the Rotary Foundation are:

1. Peace and conflict resolution
2. Disease prevention and treatment
3. Water and sanitation
4. Maternal and child health
5. Economic and community development.

In the future, the Foundation will concentrate its efforts only in these six areas. Our top priority, polio eradication, relates to at least two of these six areas, and one can argue that it covers even more.

Speaking of the Rotary Foundation, I want to encourage you, your family members, and fellow club members to attend the District Rotary Foundation Dinner on March 22. The event will be held at Heritage Springs Country Club in Trinity. There will be a cocktail hour beginning at 6 pm, followed by a dinner at 7 pm. Our featured speaker will be PDG Brent Williams from Gainesville. In addition to a fine meal and program, we'll be taking time to recognize the effort of individual Rotarians and clubs from around our district on behalf of the Rotary Foundation. The cost of the event will be \$ 35/person. You can sign up at dacdb.com.

I look forward to welcoming you to the District Foundation Recognition Dinner.

Reach Within to Embrace Humanity

SANDLER TRAINING

On the morning of February 8 when people began arriving at Ruth Eckerd Hall in Clearwater, it was clear that the District 6950 fund-raising partnership project with Sandler Training was a success.

The event, which attracted about 90 Rotarians and friends from throughout the District. The venture with Sandler was well worth doing for a lot of reasons: 1) it provided ample networking opportunities in the plenary, meal and break out sessions;

Carl Treleven in conversation with an attendee.

2) sales skills were identified, honed and revitalized through an exciting session by Jim Marshall, of Sandler, and taken over by his partner Clint Babcock; 3) an animated management discussion, moderated by Marshall, gave about 30 attendees in a breakout session the chance to share problems, techniques, victories and horror stories with peers and; 4) more than \$18,000 was sent

to The Rotary Foundation to benefit Polio Plus. Not a bad day's work.

The week after the event, Marshall, DG Carl Treleven and Monte Trammer, program coordinator, met to review strengths and weaknesses of the project. Planning, which began last July, started early enough but the core group was too small. Any future effort, it was agreed, would benefit from a district-wide team of Rotarians familiar with Sandler's programs and able to stress the benefit of the training above and beyond the financial benefit going to The Rotary Foundation.

It also was clear that an opportunity was missed to encourage clubs to provide scholarships to the event for staff members and executives of not-for-profit program they already support.

Sending non-profit leaders to the training would provide them a benefit their meager budgets often do not, enhance their work with constituent groups and further enhance the clubs' involvement with community organizations.

Conversations are already underway to determine whether the event will occur again in 2013. The initial effort was quite a success and, for that, we say Congratulations! and Thank You!

Workshop participants Julie Daniels (Clearwater East) and Larry Heinkel (St. Petersburg) in an exercise being led by Marshall.

Jim Marshall, President, Strategic Sales Solutions (Sandler) addressing the group.

Reach Within to Embrace Humanity

Dinner at the Ronald McDonald House

Pinellas Park Rotary Club served Tuesday Night Dinner at the Ronald McDonald House in St. Petersburg on Jan. 31st.

Chairman Ken Bray spearheaded a group of Pinellas Park Rotarians to serve a Hamburger and Brats dinner for over 40 families at the St. Petersburg Ronald McDonald House complete with Salad, Baked Beans, Fruit Compote, Macaroni & Cheese and assorted desserts.

All of the food was cooked and served by the Rotarians, their family & friends: Yvonne & Kevin Fay, Georgia Bray, Phil & Carolyn Burns, Kent Clouser, Dorothy Gilbert, Pete Hervey, Jerry & Joan Krauss, Kenny Krauss & grandson, Kaden, Gerry and Isobel Luckett, Christine & daughter, Mackenzie Patel, Theresa Pinnix, Phyllis Tellor and Don Vauiso.

It was the first of hopefully many Spelling Bee fundraisers whose proceeds were to benefit Eckerd Youth Academy (EYA). Brooksville Rotary Club members, along with many other supporters, accepted the challenge. The Rotary team did not win, but had fun and were proud participants! We blamed our loss on the Master of Ceremony, Royce Decker, for his accent and our own somewhat restricted vocabulary. Ha! Ha!

Pictured here (L-R) are Brooksville Rotarians: Gretchen Pingley; Stephen Barocas; Terry Weaver; and Brande Sanders. Other Rotarians involved included EYA Board Members; Chris Scavuzzo and Dan Bohman.

Pasco County Clubs Celebrate World Rotary Day

The Rotary Club of New Port Richey led the charge in creating a community effort to help promote World Rotary Day on February 23rd. The committee that worked on this project consisted of New Port Richey Rotarians -Bill Bunting, Laura Kinhead and Marilynn deChant.

The primary focus for this first year effort was to contact the various governmental agencies for proclamations or resolutions recognizing World Rotary Day in Pasco County and its various clubs. Other resolutions received and presented to club President Don Cadle: Florida State Senate from State Sen. Mike Fasano and House of Representatives from State Representative Richard Corcoran. Also proclamations were presented from the City of New Port Richey's City Council and the City of Port Richey's City Council.

To build more awareness about Rotary in the community, Committee Chair Bill Bunting asked all club members to wear their pins or shirts with the Rotary emblem on World Rotary day and to feel free to engage others in conversation about what Rotary does in our world as well as our communities. Other Pasco County Rotary Clubs were also asked to participate in this effort. An article in the local paper featured an article about World Rotary Day and the contributions of all 14 clubs in Pasco.

Photo: Rotarian Bill Bunting and Pasco County Commissioner Jack Mariano – On February 22nd when Commissioner Jack Mariano read the proclamation at the New Port Richey Rotary club meeting.

Rotary Youth Exchange

On February 5th, the District 6950 Rotary Youth Exchange (RYE) students went on a kayaking activity in Crystal River in Citrus County where they were hosted by the publisher of the Chronicle Newspaper and his wife at their home on Kings Bay. Gerry Mulligan (the Publisher) is a long time member of the Crystal River Rotary Club and agreed to have all 12 RYE students come to his home and enjoy an afternoon on the water. The activity was organized by Inverness Rotarian Lace Blue-McLean. They were on the river in their kayaks for a couple of hours and went to "Three Sister's Springs" a sanctuary for the protected Manatee that come there in the winter to seek warm water. After kayaking everyone enjoyed a pizza party on the back deck of the Mulligan's home. They caught up on the latest news about how the students exchanges were going.

Each month the District RYE program tries to have an activity to bring the students together from the 4 counties in the

District to enjoy time together and compare notes on how the exchanges are progressing. In January, all 8 inbound students went to The Florida Keys for four days to "Seacamp" to learn about the environment under water and have fun swimming in the crystal clear water of the Keys. For the kayaking activity, the 3 newly selected outbound students were included and got to meet the 8 inbound students, several of whom are from countries that the outbounds will be going to in August for a year of school as part of their exchange. In March, there are plans for all 12 of them to have a lunch at the Thai Wok Restaurant in St. Petersburg, which is owned by the

parents of one of the new outbound students, Tinson Nhon, who will be going to Belgium in August. Since the restaurant will be closed on a Saturday for this activity, there will be plenty of space for other Rotarians from around the District to attend the lunch (Dutch Treat) and interact with the students to learn more about the program. Anyone interested in attending should contact RYE District 6950 Chairman Doug Lobel at 352-400-0540. Next month, the 8 inbound students

will be going on the District Cruise to Mexico (April 19th to 23rd). Rumor has it they will be putting on a skit to entertain all the Rotarians at one of the gatherings during the cruise. The month of May is still open, so if any Rotarian would like to offer some activity let Doug Lobel know. Pictured from left to right are: Ross Guju outbound to Brazil, Rafael Granada inbound from Ecuador, Lucas Esteves summer short term with the country still to be determined, Victoria Humblet inbound from Belgium, Paphada Pongsuttiyakorn inbound from Thailand, Maria Kotova inbound from Russia, Jessica Kamsteeg inbound from The Netherlands, Kaitlynn Fisher outbound to Slovakia, Tinson Nhon outbound to Belgium and Beatriz Giacomini inbound from Brazil. Not pictured but attending the activity were: Carolina Junqueira inbound from Brazil and Joeseline Aguirre Cevallos inbound from Peru.

All the inbound students will begin returning home in June and the outbounds will be making final preparations to leave for their country assignments. Also in August the 3 current outbound RYE students (Rachael Perry in Japan, Carlos Ojeda in Italy and Quinn Rudolph in Poland) will begin returning from their year abroad to begin the transition back into our American society. However, as any exchange student will tell you, they are not the same people as when they began their adventure last year.

For more information on Rotary Youth Exchange go to www.ryeflorida.org and for a exciting program for your Rotary Club Meeting you can e-mail Doug Lobel at dlobel@tampabay.rr.com.

On February 10, 2012 at a regular meeting of the Rotary Club of Port Richey, Deputy Foundation Chair for West Pasco, Wayne Berryhill, presented recognition to four new Foundation Benefactors for the Port Richey Club. Pictured from left to right are Paul Harris fellow Michelle Palisi and Paul Harris Fellow Susie King and Deputy Wayne Berryhill presenting....not pictured are PHF Alfred (Al) Heiler and PHF Robert (Rob) Aguis.

According to Rotarian Berryhill, "with the induction of these 4 members to the Benefactor status, the Rotary Club of Port Richey has 12 Foundation Benefactors. All have been added to the roles of Foundation Benefactors since the 2010 Rotary year."

Nancy Giles honored as Business Person of the Quarter

One of Rotary International's guiding principles is that one's vocation should be honored as an avenue of service to the

community. Seminole Lake Rotary has chosen Nancy Giles to be honored as the Business Person of the Quarter for her social activism in the Seminole Community. She is the VP of Business Relations for PARC and is President-Elect of the Greater Seminole Area of Commerce. She has used her vocation as an active avenue of service to her community.

Pictured: (L-R): Nancy Giles, Rotary President Wayne Reynolds

Derby Lane Supports Rotary's Seminar for Tomorrow's Leaders (S4TL)

For the eighth year, Derby Lane has hosted Rotary Goes to the Dogs for S4TL. S4TL is a week long leadership program held at the Florida Southern College in Lakeland in mid June every year. 150 high school Juniors are chosen from nearly every high school from Crystal River to Marco Island. They are immersed in leadership training which will help them to be effective leaders in their Senior year and beyond. The overall cost for this week long program is \$100,000 and although each student is sponsored by a Rotary Club with a \$500 "tuition" fee, part of the \$25,000 shortfall in costs is made up by the assistance of Derby Lane.

Over 250 Rotarians and their guests attended Derby Lane on February 18th where they ate lunch and watched the 15 greyhound races and were able to mingle with Rotarians from the entire West Coast of Florida while helping raise the additional funds needed for the program.

The sixth race was designated the Rotary District Governor's Race, won by greyhound Call Me Ishmael. Pictured from L-R: Gene Stern, event Chair; District Governor Carl Treleaven; Jeff Fee, S4TL Program Director; Trainer Catherine D'Arcy; Sean Smith, leadout; District 6890 Governor Alan Feldman; Doug Meyer, Chairman of S4TL.

Rotary Club of East Lake Sunrise Presents 6th Annual Charity Car Show & Community Festival

Saturday, April 28, 2012: Palm Harbor, FL
John Chesnut Sr. Park, 2200 East Lake Road, Palm Harbor, FL.

Presented by the Rotary Club of East Lake Sunrise and the YMCA of North Pinellas' Healthy Kids Day event.

Fun for the entire family and free for spectators! DJ, live music, exhibitions by Pinellas County Sheriff's Office, East Lake Fire & Rescue, Students of East Lake H.S., and lots of activities for the kids throughout the day.

Food, raffle, and more.

A judged show with over 50 trophies awarded. Show hours 9:00 am – 3:00 pm, vehicle registration ending at noon.

Open to all show cars and trucks.
Pre-registration by April 15 - \$15, Day of show - \$20.

All money raised goes to charity!

Donations are greatly appreciated with many sponsorships available, including exhibition tents and other opportunities with far reaching exposure. Visit www.EastLakeRotary.org for more information, registration forms, and secure on-line registration. For more info, contact Howard at info@eastlakerotary.org or Rich at (727) 644-7972.

Deadline: March 25, 2012 for next issue

Dade City News

Rotarians across the world are kept up-to-date with a variety of topics at their weekly meetings. Locally, Dade City Sunrise Rotary had two diverse speakers pass on interesting information at their 7 a.m. meetings.

Dr. Jen Chatfield recently visited Madagascar to study the Lemur habitat of that area. The Lemurs live on a neighboring

island and have been inhabitants of that island for a long time--even before the monkeys. They are wonderful animals and easy to work with. It was quite a rich and enlightening experience for our local veterinarian and one many of the Rotarians would enjoy having.

She also told about the extreme poverty of the people in Madagascar to the extent that most have no shoes and have never owned any. They are generally a very happy people and most friendly.

On another occasion, the Sunrise club was honored to have Scott Black, Mayor of Dade City, talk about the future plans for the Dade City community. Many changes have been made in the City but more good things are coming.

The City Council has been working closely with the Chamber of Commerce and Main Street to improve areas in the City. These groups work with other government bodies to acquire grants to help underwrite the costs in addressing

the problem areas. Sprucing up downtown as well as the Bypass corridor is a constant challenge but brings about a delightful result to

the City. Mayor Black's intention is to preserve the "hometown" feeling for all who come to Dade City.

Sunrise Rotary is a Breakfast Club and meets every Thursday at 7 a.m. except for the 1st Thursday of the month when they meet at 4:45 p.m. at the Kokopelli Restaurant, Dade City. Visitors are always welcome....

Photos: Scott Black, Jean Nathe; Camille Hernandez, Dr. Jen Chatfield

Schwettman Interact Club donates to Pure Water for the World

The Schwettman Interact Club donated \$100 to Pure Water for the World (PWW) to help kids and families in Honduras. Trinity Rotary matched it and it will be added to a NY/Honduras matching grant to total about \$500 which is enough to provide water filters, latrines, education and training to a family in Honduras.

Schwettman Education Center is a voluntary educational program the district provides for students who have violated School Board policy, have seriously disrupted the learning environment of the school, and have been recommended for expulsion from a school. Schwettman provide a positive, intensive behavior change program staffed with a full-time Student Services Support team that targets teaching coping and survival skills and assists students in developing a positive attitude toward learning, the school environment, school staff, and their peers.

The four current members of this club have done a great job so far this year. These young people are overcoming great obstacles and they have worked very hard to raise money for PWW. Recognition for something like this has the potential to change the lives of these kids forever.

Brooksville, FL February 21, 2012. Judge Lisa Herndon was inducted February 21 by Ed Hobin. Karen Nicolai was her sponsor. Lisa was a member of the Brooksville Rotary Club in 2005-2006 when she was a prosecutor in Hernando County. She was reassigned to the Ocala State Attorney's office and joined a Rotary club there. She was recently appointed Circuit Judge in Hernando County, so she is re-joining Brooksville Rotary.

Pictured here are (L-R): Karen Nicolai (Clerk of Court); Lisa Herndon; and Ed Hobin (retired).
