RI President 2012 - 2013: Sakuji Tanaka

ROTARY DISTRICT 6950 • ZONE 34 • FLORIDA • USA

Issue 1 • July 2012

GERONIMO!!!! Can't stop saying it... because that is what it feels like as we approach the beginning of this Rotary year. After months of preparation – and hours of meetings/training and plain old fashion work (labor of love really) it is time to begin the 12 month journey through what I hope is the most remarkable year in Rotary. I have just been reading through Past District Governor Linda and Current (only 3 more days) District Governor Carl Treleven July Newsletters. Just as Governor Carl asked the questions you are asked as District Governor (and President is no different) are; “are you ready?”, “are you excited”, and “what are you planning for the District in 2012-13”. SO to answer them simply – I better be ready because we are just days away..... Am I excited? ... I am over the moon to put it lightly! I feel so honored, so humbled and so very excited to be serving the Rotarians of District 6950 and Rotary International. If the next 12 months come anywhere close to the plan... You and I will be very happy with the outcome.

Now as for “What” is planned for the year – Plenty!!! So be ready to play hard, laugh a lot and work side by side with other hard working Rotarians.

- July–** Club Visits Begin – We will hear the results of our Public Relations Grant Submission.
- August–** Membership Seminar is Aug. 4th at Bayonet Point Hospital Training Center in Hudson

This will consist of club members standing outside Sams and Walmart with a cooler wrapped like a NID Cooler taking donations. We have shirts for the clubs, easels with posters of foundation programs and for each donation the club member will color the donors pinky finger purple. This will simulate a real NID – publicizing Rotary and The Rotary Foundation – building community awareness of Rotary, giving current club member pride in the organization and attracting prospective members.

Thank you for a REMARKABLE Year.

With this schedule and the additional Public Relations activities that will be announced at the Press Conference at the August 4th Membership Seminar – this should provide the support to build new leaders, assist the continued growth of current leaders – all to help your club become more visible in your community to enable you to have more successful fundraisers, more opportunities to serve and attract more worthy individuals to serve with you in Rotary.

I encourage you to publish the events above, encourage your club leaders (and those being mentored to lead) to attend these events.

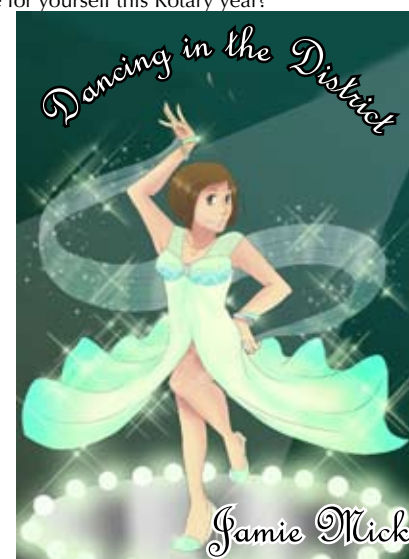

In addition when I visit your club you'll hear about more tools that Rotary International is providing Rotarians to serve their clubs, community and each other at a whole different level.

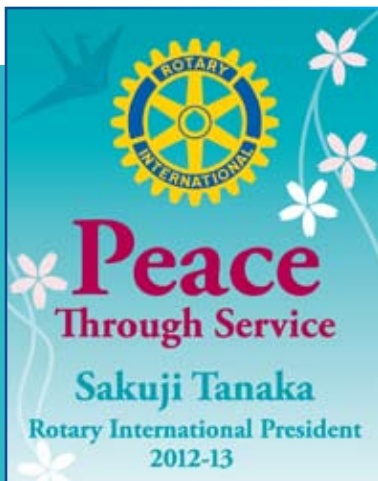

As you begin YOUR Rotary year I have a few questions for you;
What NEW goal do you have for yourself this Rotary year?

How will you strengthen your club, community and its members?

What do You want to see your club do tomorrow that it isn't doing today – and how will you help get them there?

As you sit in your office – or home, take a deep breath – close your eyes and dream... then open them and let's all jump off the cliff...
GEEERRRROONNNNNIIIM-MMOOOOO.... And I'll see you in flight!

Sunset Around the World Presents: Sombreros & Señoritas

The Rotary Club of St. Petersburg Sunset hosted their first annual "Sunset Around the World Presents: Sombreros & Señoritas" event on Cinco de Mayo and it was a great success! More than 100 people were in attendance at the Palladium Theater for this event and lots of fun was had by all! A Piñata Auction, Pin the Tail on the Donkey, opportunity drawing, and photo booth all caused some laughs and helped raise some funds for the local organization Ready for Life, the Rotary Foundation, and our Sunset Foundation. Ready for Life is an amazing organization that helps youth transition out of foster care prepare for adulthood. We are thankful for all our fellow Rotarians and partners across the county that helped support us and make this event a success! Please stay tuned for next year as we "Sunset Around the World" again... (For more information contact Daphne Boothe sunsetrotary.daphne@gmail.com)

Rotary Club of Brooksville Kiosk Dedication

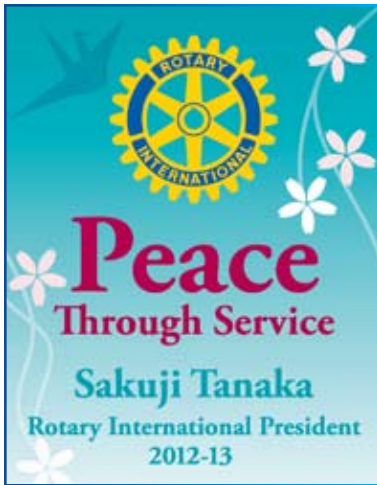

Brooksville, FL May 15, 2012. It was a beautiful Tuesday afternoon as Brooksville Rotarians and guests gathered for their weekly meeting. This wasn't the typical Rotary meeting, however. Instead, members were gathered around the dedication of the Brooksville Rotary Club's Kiosk at the Russell Street Park on South Main Street.

Brooksville Mayor Joe Johnston thanked Rotary and all those who helped complete the project for their efforts in bringing the community together. He talked about the future of the Good Neighbor Trail which will eventually meet the Withlacoochee Trail and potentially others.

It was through the hard work of Chris Scavuzzo (Brown and Brown Insurance), Chairman of the Capital Projects Committee, and his members that brought the idea to fruition. Certificates of appreciation were presented to Mike Walker (City of Brooksville), Sean Kessler (City of Brooksville) and Nick Nicholson (Nicholson Engineering).

In addition to the Kiosk dedication, Brande Sanders (Edward Jones), Foundation Chairperson and member of the Capital Projects Committee, presented Brooksville Rotarian Dudley Hampton (BJH Construction) with a Paul Harris Fellow and honorary membership for his contributions to completing the Kiosk and years of support for the Club.

Pictured here are (Back Row L-R): Richard Trump; Gretchen Pingley, Dudley Hampton; Brande Sanders, Mike Walker, Sean Kessler; Joe Johnston; Bill Geiger; Mark Caskie; Steve Baumgartner. Front Row (L-R): Chris Scavuzzo; Lara Bradburn; Jan Knowles; and Anne McClung.

The Rotary Experience

by Gary Williams

Rotary Club of Land O'Lakes

Forenote: May 2012, the Eastside 8 clubs of Pasco county participated in a Rotary community service project where they filled over 800 bags of food to be given to families in need as school was let out for the summer and the children who may not be in summer programs would not have breakfast or lunch.

Just wanted to share what happened to me recently. After spending quality time with Rotary members at our Monday meeting, I stopped to get gas at the Racetrack station. A woman at the pump next to me came over and said 'I would like to shake your hand'.

I was a bit puzzled, but being a banker, I will shake hands with anyone! She said she was recently widowed and is raising a child in Land O Lakes on a nurse assistant's pay. On the last day of school, she was given a bag with the Rotary emblem, filled with groceries. She was told Rotary had given bags of food to parents who needed a boost.

She said it really bolstered her spirit that Rotarians would do that without looking for thanks. She noticed my Rotary pin and badge and just wanted to shake my hand and thank Rotary for helping her. She had no idea how many bags we did, but was appreciative of how we helped her.

WOW! First, of course I felt great, she did not know me from anyone. but most importantly, if you identify yourself everyday with Rotary (wearing the pin or badge) good things can happen.

Dade City Sunrise Rotary Has Had a Busy Spring

Exciting happenings at the Dade City Sunrise Rotary! From welcoming three new members to receiving and giving donations—they have been busy!

A generous cash donation was received from Gail and Glen Greenfelder on behalf of Kafe Kokopelli's Charity Golf Outing held in early June. A Spring fertilizer sale reaped another cash donation from Grower's Fertilizer Company as part of their annual support for Sunrise Rotary. The

Dade City Sunrise Rotary Relay for Life Team

outpouring of generosity from local supporters helps the Rotary Club continue their charitable work for the East Pasco area.

The club participated in and donated funds to the recent Relay for Life; donated books to local elementary schools as part of their literacy project; prepared and distributed food bags to families in the area. Throughout the year as well as this spring, the group supported and sent coupons to the military families abroad and donated various items to local families and charitable groups in need. Club members, with various occupations represented, participated in the Great American Teach In at local schools.

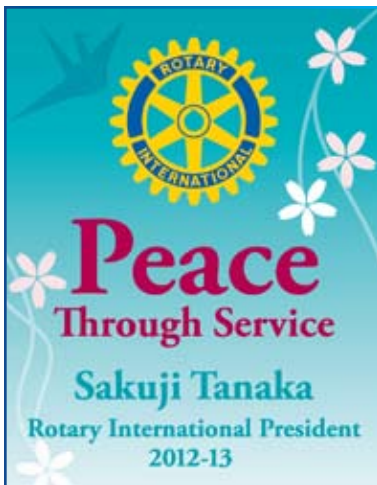

Left to right: Amanda Mallory, Barbara Mallory, Ron Mallory, Camille Hernandez, Richard Mason

The spring meetings have had many varied speakers sharing their precious time with the group—a majority at 7 a.m.! To name a few: Bia Giacomini, Rotary Youth Exchange Program; Dave Lambert, Withlacoochee Electric Company; Chris Williams, Director of Planning District School Board of Pasco County; Ben Henry, NJROTC, Pasco High School; Frank Mezanni, Francis Crociata, Saint Leo University; Jan Roberts, Big Brothers, Big Sisters; Group Study Exchange Team from Korea; Kurt Browning, former Florida Secretary of State; Pam Oakes and John Walkinshaw, International Board of Tourism; and the list goes on.....

The Rotary year for President Camille Hernandez will be ending in late June and leadership of the club will be in the hands of Kerry Westbrook, First National Bank of Pasco. More great things ahead for the Dade City Sunrise Rotary!

Dade City Sunrise Rotary is a Breakfast Club and meets every Thursday at 7 a.m. except for the 1st Thursday of the month when they meet at 4:45 p.m. at the Kokopelli Restaurant, Dade City. Visitors are always welcome....

Rotary Club of St. Maarten gets help for the Ahead School of Excellence from US Rotary Clubs, Methodist Church & Regent Cruise Line

"Dushant Ji speaks to Rotarians about the art of living during lunch meeting at Sundial School Restaurant"

Philipsburg - The AHEAD Center of Excellence in St Maarten a school for children with learning challenges (autism) and other issues that do not allow them to attend regular public education, received supplies and funds from Dade City Rotary Club which partnered with Rotary International's District 7020 in the Caribbean (Rotary Club of St. Maarten), the East Side 8 (Pasco County, Florida) Rotary Clubs, First United Methodist Church of Zephyrhills and Regent Seven Seas Cruise Lines. School supplies were gathered and shipped to Regent's headquarters for loading aboard the Seven Seas Navigator in January. Dade City Rotarian John Wheeler coordinated the collections and delivered the donated supplies to the school with assistance from Regent and St. Maarten Rotary Club President Rebecca Low, board members Henna Budhrani, Pierre Decelles and Maria Buncamper-Molanus during the Navigator's Western Caribbean cruise port call.

Eleven boxes of school supplies were provided and shipped (at a discount) with the donated funds to Regent Seven Seas Cruises headquarters in Miami. The Vice President of Guest Services, Gair O'Neill, arranged to have the supplies loaded aboard the SS Navigator on January 6th, the departure date of a Caribbean cruise. Henna Budhrani of the Rotary Club of St. Maarten identified the needs of the school and made the arrangements on St. Maarten in anticipation of the SS Navigator's arrival on January 11th.

Dade City, Florida, USA Rotarian Captain John Wheeler, USN/ret, initiated the idea after seeing the need on a previous Regent Cruise up the Amazon. Working with the Caribbean Rotary Coordinator the school and local coordinator Mrs. Budhrani, needs were identified and the generosity of Rotarians became a reality.

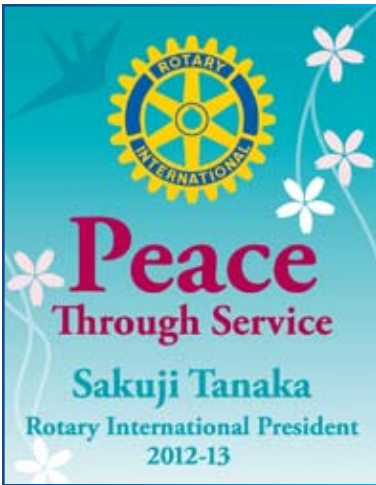

The Rotary Club of St. Maarten thanks Captain John Wheeler and join him in thanking Dade City, San Antonio, Wesley Chapel, Zephyrhills Daybreak and Dade City Sunrise, First Methodist Church of Zephyrhills, Village Grove Home Owners Association, Goin Postal and Regent Corporate Office and the captain and crew of Regent's SS Navigator.

The supplies include such items as letter-size (8.5x11) white paper, Wipe out/Whiteout, manila folders (letter size), black, blue, and red pens, pencils, coloring pencils, White Board markers, index cards, construction paper of different sizes, note books, rulers, colored magnets of different sizes, scissors (large & art size), staplers & staples, and elastic bands.

The project was concluded at the lunch meeting of the club held at the Sundial School's Restaurant. Guest speaker at this meeting was Art of Living teacher and Chairman Dushant Ji who spoke to all present about overcoming stress, depression and violent tendencies.

Rotary Club of St. Maarten would like to commend the Sundial School for hosting the large group of 41 persons at the recently renovated "learning" restaurant and encourages the general public to visit the school's restaurant for lunch on Wednesdays and Thursdays.

PDG Tim Schuler receives prestigious RI Service Above Self Award

In 1991, the Board of Directors of Rotary International agreed to honor only 150 Rotarians, annually, with the prestigious Service Above Self Award. With over 1.25 Million Rotarians worldwide, many nominations are made but only 150 are chosen for their unselfish commitment to the motto of Rotary: Service Above Self.

Past District Governor Tim Schuler has been recognized by the Board of Directors of Rotary International for this honor at an awards dinner for District 6950 on June 14th.
