

THE GOVERNOR'S NEWSLETTER

RI PRESIDENT 2013- 2014: RON D. BURTON

ROTARY DISTRICT 6950 • ZONE 34 • FLORIDA • USA

ISSUE 3 • SEPTEMBER 2013

Youth Service is Rotary's Fifth Avenue of Service:

We have incredible youth programs for our talented and dedicated young people, Rotaractors, Interactors and Youth Exchange students who serve with us as they learn new skills that will help them succeed as future leaders. It is up to us to empower our youth with leadership skills, integrity and respect so they can reach their full potential as productive members of our communities.

If we truly want Rotary to survive into the next generation we need to assimilate those who we are mentoring into our clubs sooner. We should continue to be an influence in their lives, monitoring and encouraging them until they join with us to impact our community and the world with their service. If there is not a Rotaract Club available we should accept them into ours. We have spent thousands of dollars impacting the lives of student every year through scholarships and other programs so please continue to follow up on our investment. Everyone that we support in any way is a potential Rotarian.

Each year, over 8,000 high school students participate in the Rotary Youth Exchange program worldwide, learning a new language and experiencing a new culture, through the efforts of Rotary volunteers around the globe. Doug Lobel has taken our exchange from about 3 to 5 students a year to 16 a year. We want to thank him for his dedication to this

awesome program.

Morena D'Alma Rotary Youth Exchange to Germany

When I received a call from Mr. Lobel my mind went blank and my whole body went numb. I couldn't feel my legs and tears immediately streamed down my face. Though no words could ever amount to how excited I am for my year abroad, I know that not everything will be perfect but I'm ready to conquer it all. I am so thankful for my wonderful support system of family and friends and the incredible opportunity Rotary has graced me with. Nothing will stop me from making this experience the best I possibly can.

Youth Exchange student inbound student from Croatia; Mirna Majzec for 2013-14

(S4TL) Kristen Carney 2012

The ultimate goal of Seminar for Tomorrow's Leaders is each student to leave the seminar with a new awareness of self, and be more finely tuned to utilize your given abilities to serve others in leadership capacities throughout life. You will be challenged to utilize all available skills, knowledge, talents, expertise, and intelligence toward specific goals and objectives. Daily activities include exciting lectures, discussions, rap sessions, and demonstrations of those

principles which enable an individual to lead others.

Words cannot describe my thanks to you for sponsoring me to be a delegate this year at S4TL. I had an incredible time, met other delegates that I will stay in contact with for years, and learned life lessons from the motivational speakers. Thank you for this opportunity and I look forward to applying my knowledge from the Seminar and Interact this year as I continue on to University next year.

Rotary District 6950 Ambassadorial Scholar Tiffany Anne Carpenter 2012-13

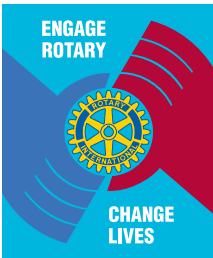

When I started my studies at Saint Leo University near Dade City, Florida in August of 2009, I had no idea that by April 2012 I would be a graduate, having completed my Bachelor's in English Literature and the Honors Program in three years, and be on my way to Ireland to get my Master's degree in Business and I could not have imagined the many blessings and opportunities that have come my way while on such a journey. Today, however, I can more than imagine them and am beyond grateful for such invaluable, indescribable, timeless experiences, opportunities, travels, and the chance to have to connect with so many wonderful people along the way who help make it all possible.

In just four years, with the help of my family, friends, professors at Saint Leo, Rotary International, the entire Rotary family, and the good Lord above, I've managed to make my way from Nashville, Tennessee to Italy as a course study

From Page 1 -*

at Leo, to Ecuador as a Freshmen Mentor, to Costa Rica organizing service trips to help children, to delve into a fellowship program and corporate internship in Washington, D.C., and finally travel to Ireland where I've been studying in a one-year Master's Program for International Business Management at the National University of Ireland at Galway for the past ten months. I'm glad to say that my passion for establishing people to people connections has only continued to flourish. I started my journey with Rotary when I met some wonderful Rotarians from the Rotary Club of San Antonio and asked them to help me start a Rotaract Club in our area. Within a few weeks, I was in the process of founding the Rotaract Club of Saint Leo University, where I had the honor of being president throughout their Charter Installment and dozens of service and fundraising efforts before passing the gavel over to a new group of officers. As I was organizing Rotaract, I was also learning more about Rotary and with less than two weeks before the deadline, learned about the Ambassadorial Scholarship and was recommended to apply. The rest is pretty much history. The Distinguished Rotarians of District 6950 selected me to represent them as a Rotary Ambassadorial Scholar for the 2012-2013 school years and I was soon on my way to Ireland.

I've had an amazing journey during my travels across the pond diving into my studies exploring the world of global business, making new friends and family in Galway and all across Ireland, testing my faith and soul-searching in the midst of busy life adventures, venturing to discover the impressive city and culture of Hong Kong, and to connect with Rotarians from all avenues of life welcoming me and showing me what a blessing and privilege it is to be a part of the worldwide web of Rotary

Rotary District 6950 Ambassadorial Scholar Tiffany Anne Carpenter 2012-13

Family. I cannot begin to tell you how remarkable my journey has been, but I love to share my ever-eye-opening perspective and the blessings that have been put in my path by keeping a blog of my time abroad at www.giftedtravels.wordpress.com. Additionally, I don't know where to start in expressing my deepest appreciation and sincerest thanks to every person who has been with me on my walk through life thus far, especially in my time as a Scholar. My parents, brother, and family at home in Nashville and Sarasota are beyond the most important blessings in my life. I have been unbe-

lievably blessed with an unceasingly loyal and supportive circle of friends and family. My sponsoring club, all of the wonderful Rotarians of the San Antonio Rotary Club, Betty Burke, and everyone in District 6950 saw the spark in me that was waiting to be given room to ignite and I'm grateful for their confidence in me and supporting me every step of the way. My hosting clubs, the Rotary Club of Galway Salthill and the Rotary Club of Galway and everyone in District 1160 in Ireland offered me the warmest of welcomes and made me a part of their Irish families.

I look forward to continuing to be a part of this family we call Rotary, to make a difference, to strive for more, and make lifelong connections wherever I go and I can't wait to share it all with you as it comes. I would love to speak, present, and visit any Rotary Clubs possible and eagerly await the chance to share my experiences with you in person.

Clearwater, 33765

August is a busy month for Rotary Youth Exchange (RYE) in our District.

Our 15 students from all 4 counties in the District are packing their bags to head to the countries they for which they have been training for 8 months to attend school in their selected country. These 15 to 18 year olds are going to 14 different countries around the world and they will learn a new language just so they can ask for a glass of water. All of these countries have different cultures that will require quite an adjustment from here at home. These are some of the bravest young people you will ever meet. But they would not be going anywhere if it were not for the 15 Rotary Clubs in our District that stepped up to be their sponsoring clubs, which is required for them to apply for the program.

They were interviewed in November 2012 along with their parents and those selected were given their country assignments in December. From that point forward they have been going through training by 1st attending a 2 1/2 day orientation with classes beginning at early in the morning and running until late evening filled with information about what it takes to be a successful exchange student. They also have to do many exercises and role playing to make sure that they can handle the rigors of being alone in a foreign country.

When asked what it takes to be an exchange student the best answer is "you do not have to be the smartest applicant (but you must have good grades), you don't have to be the best athlete (but just be willing to try your best to compete), they don't have to be the toughest kid on the block (but be willing to get back up and give it a go when they get knocked down) and they do not have to come from wealthy families because Rotary makes exchanges affordable and

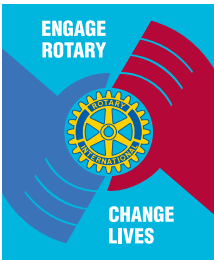

will help those that need a little financial help."

What these young people do have to exhibit is that they have "THE RIGHT STUFF" to persevere when the going gets tough and that they won't

give up and call their folks and ask to come home BEFORE they have completed their 10 month exchange.

The next application process begins in September for the class that will leave August 2014. So if you know a young person that will be 15 to 18 1/2 years old when they leave next August and you believe they have "The Right Stuff" send them to our web site www.ryeflorida.org to find out more about how to explore this once in a life time opportunity.

Pictured left to right in the front row are: Morena D'Alma going to Germany sponsored by Holiday, Morgan (Skye) DiRoma going to Croatia sponsored by Sugarmill Woods; Morgan Schroder going to Chile sponsored by Crystal River Jennifer Roberts going to Spain sponsored by Wesley Chapel, Chyenne Sowder going to France sponsored by Spring Hill Central & Brooksville; Kaely Banks going to Poland sponsored by Crystal River Kings Bay, Gabriella DiSanza going to Denmark sponsored by Inverness, Stephanie Lytle going to Thailand sponsored by St. Petersburg West. Back row left to right are: Rotarian Connie Lobel, Elissa Shue going to Brazil sponsored by Indian Rocks Beach, Corey Yeung going to Japan sponsored by Safety Harbor, Alex Mead going to Japan sponsored by Homosassa Springs, Jessica Shumway going to Taiwan sponsored by Central Citrus. Back row left to right are: Erin Hensel going to Norway sponsored by Dunedin, Devon Ford going to Slovakia sponsored by Indian Rocks Beach, Andrew Comiskey going to Czech Republic sponsored by St. Petersburg and Doug Lobel District 6950 RYE Chairman.

What is The Paul Harris Society?

The Paul Harris Society is a special district recognition program designed for Rotarians who wish to support The Rotary Foundation in a more substantial way each year.

The Paul Harris Society recognizes Rotarians and friends of The Rotary Foundation who annually contribute \$1000 or more to the Annual Programs Fund, Polio Plus and PolioPlus Partners, or the Humanitarian Grants Program.

For more information about The Paul Harris Society, contact Wayne Berryhill/Chairman of The Paul Harris Society for District 6950- wberryhill1944@yahoo.com

Rotary International getting Rid of Polio in the World

Rotary District Governor Roger Proffer addressed the Rotary Club of Seminole Lake on Friday August 23 at their regularly scheduled 7:15 AM meeting at Freedom Square. As Rotary International had set a goal, in 1985, to rid the world of polio by 2005 (the hundredth anniversary of the founding of Rotary) some stubborn cases still persist, mainly in Islamic countries. To that end Saudi Arabia has pledged \$4 Billion to see that children in these countries are properly vaccinated.

The Bill and Melinda Gates Foundation has also pledged nearly \$1 Billion to work with Rotary and the World Health Organization to see that this scourge is eliminated. The Gates Foundation pledges have been in the form of matching grants to which Rotary has risen to the challenge as Rotary has voluntarily raised over \$1 Billion also.

Haiti Bus Donation

Several Brooksville Rotarians, friends and spouses gathered this past Saturday morning before the rains began to remove a handicap lift from a school bus that was being donated to Haiti. The diesel bus will hold 22 students.

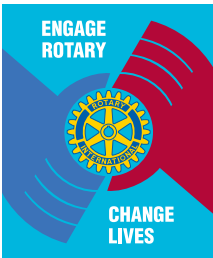

The bus is going to Haiti to help get students attending the Centre De Formation Fritz Lafontant Learning Center School in Haiti. The school is located in Corporant Plateau Central and offers education programs in agriculture, building construction and woodworking. It is an initiative of Rotary's Partners in Agriculture and Partners in Health, who have brought modern health care and sustainable agriculture practices in Haiti. CFFL was created to contribute to sustainable development in Haiti with an emphasis in rural areas, characterized by a high level of poverty, unemployment and limited access to education. This has been the Rotary Club of Brooksville's international project for the past three years.

Pictured are (L.-R.) Rotarians Larry Van Fossen (Vans, Cars and Trucks) and George Marvella (Turner Funeral Home). Additional helpers included Joe Nicolai, Richard Trump (Rotarian); Gretchen (Rotarian) and Norman Pingley; and Jim Gibson.

Oldanie promotes Global Collaboration

Chuck Oldanie has been a Rotarian both in Michigan and more recently with the Rotary Club of Seminole Lake. His passion has been to serve people and promote World Peace. In that regard, he has put his efforts into promoting the organization, Seeds of Peace with Habitat for Humanity and Rotary. He recently returned from his second trip from India where he organized Seeds of Peace youth volunteers to help build over 230 homes in India through the Habitat organization.

On Thursday, November 14th Oldanie is helping organize a free program from noon to 1:30 at SPC Seminole in conjunction with Village Square discussing the merits of world collaboration in the promotion of Peace. Village Square is open to membership to anyone wishing to be a part of non-partisan discussion of issues affecting all of us. Contact David Klement at klement.david@spcollege.edu for more information.

MAKE YOUR CONTRIBUTION GO FARTHER

CARL W. TRELEAVEN

Once again this Rotary year, your District Rotary Foundation will provide you a way to make your contributions go farther. In fact, YOUR MONEY CAN GO TWICE AS FAR! You can literally become, or make someone else, a Paul Harris Fellow for only \$500 instead of the usual \$1,000. Here's all you have to do:

- Write a check, payable to the Rotary Foundation, for between \$ 200 and \$ 500
- Write your Rotary membership ID on the check (you can find this number of the return address label of Rotarian magazine)
- Mail the check to PDG Carl Treleaven at 7602 Leather Fern Court, Pinellas Park, FL 33782-4318 or District Secretary Brenda Wendt at, 779 W. Olympia St., Hernando, FL 34442

Your paperwork will be taken care of by the District. If you write a check for \$500, or you know that the check, combined with the matching points, will make you eligible for a Paul Harris Fellowship, please indicate who the recipient will be.

Contributions of less than \$ 200 will certainly be appreciated, but they will not be matched by the District.

If you want to contribute more than \$500, the District will still match your cash contribution with points. Please call or email PDG Carl Treleaven to assist you with this (email: ctreleaven.rotary@gmail.com or 727-421-5803).

The cash portion of your contribution should entitle you to a tax deduction. Of course, please consult a tax professional to confirm the details for your personal situation.

Keep in mind that even if you're already a Paul Harris Fellow, you can make a gift to provide recognition to someone else – a loved one in your family, a business or professional associate, or even a leader in your community. There are many possibilities. Not only that, you could actually get multiple Paul Harris Fellowships in one year, each for a contribution of only \$500.

Remember, too, that twenty five cents of every dollar you contribute to the Rotary Foundation will come back to our district for use in local projects. Your money will benefit not only the worldwide humanitarian efforts of the Rotary Foundation, but also help to fund projects that clubs in our district, even your local club, undertake.

Your continuing support of the Rotary Foundation is much appreciated!

Weeki Wachee River Clean-Up

Members of the Hernando County Rotary Clubs (Rotary Club of Brooksville, Spring Hill and Spring Hill Central) and Kings Bay Rotary Club met this past Saturday once again at Weeki Wachee Springs State Park to remove the invasive Lyngbya Algae from the River.

This particular clean-up was done at the mermaid theater. It allowed the public both in the theater and outside in the swimming area to watch and learn about this community endeavor. Divers from local shops and home owners along the river went into the deep waters of the Spring and gathered the algae in bags which were brought to the surface and removed.

Lyngbya is a filamentous algae that has hair-like strands that can rise 10 to 14 feet from the floor of the Weeki Wachee River to the surface. It is slimy to the touch, is dark green to almost black in color, wraps around boat propellers and looks like raw sewage on the surface of the water. This algae is contributing to the destruction of the aquatic ecosystem in Weeki Wachee Springs. It needs to be physically removed from the waters as no chemical or algaecide can penetrate its dense

mats to kill it. Dead Lyngbya must also be physically removed as it suffocates everything it covers.

The Hernando Rotary Clubs have partnered with the Southwest Florida Water Management District in efforts to remove the Lyngbya.

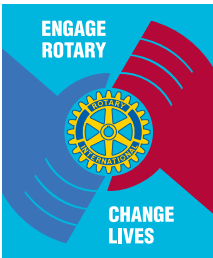

For more information on this project, contact:

Deadline: September 25, 2013 for next issue

Rotary Youth Exchange students are here!

Another Rotary Youth Exchange year has begun. For our students from our District to go on a one year adventure to any of 42 countries where we have contracts with Rotary Clubs, we must be willing to take one of their students in exchange.

We can be very proud of the 17 District 6950 Rotary Clubs that have stepped up to host these 17 students from 15 different countries. They will spend a school year attending one of our high schools and immersing themselves in American culture. Also, if the past is any indication, our Rotarians will learn just as much about their countries as they learn about ours.

Rotarians that decide to welcome them and offer to be their host family for 3 months will have an amazing life experience, but if you are unable to make that commitment, just ask a host family if you can take them to a college football game or some other activity that would allow them to experience Florida and the things we Floridians do for entertainment. I can guarantee that you will have a great experience, the student will be so grateful, plus you will be making a new friend for life.

If you have an interest in getting involved in RYE just e-mail Doug Lobel, RYE Chairman for our District at douglobel@ryeflorida.org. Even if your Rotary

Club is not involved in hosting one of these great students Doug will help you with an opportunity to discover what an adventure it can be to interact with a Rotary Youth Exchange student!

Pictured in the front row from left to right are: Emma Besson from France hosted by Dade City Sunrise, Pauliina Jasu from Finland hosted by Central Citrus, Celine Zbinden from Switzerland hosted by Dunedin & Dunedin North, Mirna Majzec from Croatia hosted by Inverness, Monica Simon-Barrio from Spain hosted by New Port Richey, Charlotte Nymand from Denmark hosted by Wesley Chapel, Maite Aristides from Brazil hosted by Crystal River, Pimtip Promgerd from Thailand hosted by St. Petersburg Midtown, Sutasinee Simmatun from Thailand hosted by Clearwater East, Gerardo Piedra from Ecuador hosted by Spring Hill & Brooksville. Back Row laeft to right are: Arthur Binini from Brazil hosted by Palm Bay, Bendeguz Takacs-Varga from Hungary hosted by Tarpon Springs, Sophie Prokop from Austria hosted by Trinity, Arnaud Lecleroqz from Belgium hosted by Sugarmill Woods, Erik Vestervall from Sweden hosted by Inverness, Alexander Mitscherlich from Germany hosted by Zephyrhills Daybreak, Shih-Tang Tai (Steven) from Taiwan hosted by Indian Rocks Beach.

Seminole Historical Society Active in Community

Jimmy Vines of the Seminole Historical Society (and retired educator from Seminole High) presented a very interesting description of the history of the Community from the earliest

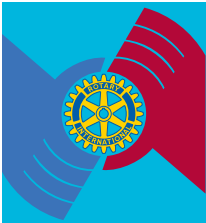

days, prior to the Civil War, when land sold for \$1.25 an acre to the formation of the City in 1970 to the present. He addressed the Rotary Club of Seminole Lake at their Friday morning meeting held at Freedom Square. Vines indicated that the City of Seminole has reserved part of the old city hall in Seminole City Park for the Society as a place to preserve the history of the Seminole Community. The Society meets the fourth Wednesday every month in room 210 B of the Seminole Recreation Building on 113th Street. Dues are only \$10/year and everyone is welcome to participate. Contact Vines at JAMusic@tampabay.rr.com Photo: Jimmy Vines -Prepared by Gene Stern, Media Chair, Seminole Lake Rotary, 727 369-1512 gene.stern@LFG.com

The Rotary Club of Brooksville inducted Lisa "Lee" Golinello and Wendell "Tony" Benjamin into the Club this past July.

Pictured are Rotarians (L.-R.): Karen Stanbro; Lisa "Lee" Golinello; Nancy Beltz; Wendell "Tony" Benjamin; and Dan Bohman.

Welcome to our new, returning and transferring Rotarians!

Meeting locations have been updated.

Please refer to this list when checking on club meeting days and locations.
